Profile

Short-form editor and content creator with 1.5 years of experience: I take a video from idea and hook to edit, captions, sound design and publishing. Currently produce 20–25 TikTok / Reels / Shorts videos a week in-house. Edit in CapCut; produce fully AI-generated ads and product visuals with Higgsfield, Google Flow (Veo), Kling, Runway and ElevenLabs. Direct-response and UGC ad formats for Meta and TikTok.

Experience

Content Creator & Short-form Video Editor — Consumer brand, Ukraine (under NDA) · Remote · Mar 2026 – present

- Produce 20–25 short-form videos per week for TikTok, Instagram Reels and YouTube Shorts
- Own the full cycle: content ideas and hooks, editing in CapCut, captions, sound design, publishing
- Adapt each video to platform-native formats and trends; iterate based on views and retention
- Use AI tools (Higgsfield, Flow/Veo, Kling, ElevenLabs) to speed up production and create ad creatives

Freelance Video Editor & Content Creator — Self-employed · Remote · Jan 2025 – Mar 2026

- Edited short-form content and ads for bloggers, fitness trainers and small brands in Ukraine, Czechia, Italy, Poland and the US
- Delivered TikTok/Reels/Shorts edits, promo videos, UGC-style comedy ads, AI-generated commercials and brand intros
- Handled the whole process: brief → structure/script → edit (CapCut) → captions and SFX → revisions
- Created ad creatives and product visuals with AI tools (Midjourney, Runway, Kling, ChatGPT)

Selected work (davaraf.github.io)

- SPARTA (US sparring-gear brand) — 19 UGC and meme-format ads for TikTok/Reels: listicle hooks, before/after, product demos, talking-head review with keyword captions; plus AI product scenes and brand intros for the same client
- AI-generated commercials — fully generated 15-second brand commercial (Higgsfield + Seedance 2.0), animated logo reveals (Google Flow/Veo), food commercial for a US burger brand (Kling, Runway, Magnific)
- Concept ads — lash-extension and productivity concepts generated in Google Flow; fashion and marketplace product visuals brought to life with motion
